

Customer NOTICE

Dual Pricing and Cash Discount

We offer dual pricing options to provide you with flexibility in payment methods. Our prices reflect both cash and card payment options:

Cash Payments:

Enjoy a discount when you pay with cash. The displayed price includes this discount.

_____ %

Card Payments:

A standard service fee is applied to card transactions. This fee covers the cost of processing card payments.

_____ %

We appreciate your understanding and support of our efforts to offer competitive pricing while maintaining quality service. If you have any questions, please feel free to ask our staff.
